

Our present
MAD-WORLD
makes Mad -
Cow-Disease
look tame!

You are invited to hear Dr. Kevin Horton, veterinarian, pastor, and professional speaker address this present insanity:

- ⇒ What is all this craziness all about?
- ⇒ What is the **root cause** that most commentators fail to understand?
- ⇒ Are we witnessing a prelude to the apocalypse described in the biblical book of Revelation?

Join us in person at two locations (or online) and participate in the discussion following the formal presentation at Hastings Evangelical Free Church, Hastings, NE or Lolo Community Church, Lolo, MT or on line at <https://www.gpgf22.com/>)
